Dear Brothers and Sisters in Christ,

Our diocese has a strong history of dedicated men who have offered a lifetime of service to the Catholic faithful here in South Carolina. Even before the establishment of our diocese in 1820, groups of dedicated priests have served our local region. That tradition of service continues to this day. A primary goal of our diocese is to properly care for our priests by providing them much needed medical attention.

I write to ask for your assistance to provide our ill or retired priests with our best care and support in this time of escalating medical costs. Please be generous to our collection for INFIRM PRIESTS. These priests have spent their lives caring for others and helping those most in need. I am confident that we will continue to do our best to care for them as well. This collection will be taken up in the Diocese of Charleston on 17 July.

In the Lord's peace,
Most Reverend Robert E. Guglielmone
Bishop of Charleston

Do you want to get rid of those magazines and books and help the seafarers, too? Bring them to the parish hall and put them in the Seafarer's Ministry collection box. Time, Newsweek, Reader's Digest, and National Geographic are especially popular with the seafarers, but anything of interest will be greatly appreciated. Thank you for your generosity. Jubilee Year of Mercy

The Diocese of Charleston will highlight a work of mercy each month during the Year of Mercy.

July: Feed the Hungry; Give Drink to the Thirsty

There are many people in this world who go without food or do not have access to clean water and suffer from the lack of these basic necessities. When so much of our food and water goes to waste, consider how good stewardship practices of your own can benefit others who do not have those same resources.

- Having delicious food at Thanksgiving or Christmas dinner? Donate to a Thanksgiving or Christmas food drive so everyone can have something to eat.
- Research, identify and contribute financially to organizations that serve the hungry.
- The next time you make a recipe that can be easily frozen, make a double batch and donate one to your local food pantry or soup kitchen.
- Try not to purchase more food than you are able to eat. If you notice that you end up throwing groceries away each week, purchasing less groceries would eliminate waste and allow you to donate the savings to those in need.
- We take it for granted that we have access to clean water. Donate. . . to help build wells for water for those in need.
- Organize a youth, sports or young adult groups. Invite them to collect bottled water to distribute at a shelter for families.
- Make an effort not to waste water.

Be you therefore merciful, as your Father also is merciful.

Luke 6:36
